Enhancing Communication

Standard channels of communication working well

- Communication with ELUNA
- Information exchange on EL Commons
- Communication with the user community
- Twittering on http://twitter.com/igelu

Product and Special Interest Working Groups

New challenges

- New Primo PWG
- Surveys about the expectations on the next generation products
- Cross PWG activities
- New Enhancement platform

Basic tasks remain

Development cooperation with Ex Libris I

Basic Agreement on Enhancements of the Central Knowledge Bases

- Lists of planned and requested resources
- 6-8 weeks voting cycle with rolling "me too" system
- Top regional resources determined in a rolling fashion
- Main goals: transparency, prioritizing by the user community, regulated process for the implementation of "regional resources"
- Joint voting process for IGeLU and ELUNA

Development cooperation with Ex Libris II

Collaboration on URM

- Focus groups agreement in Denver
- Call for volunteers, overwhelming response
- Focus groups on Selection and Acquisitions, Metadata Management,
 Consortia and Shared Systems, Fulfilment and Patron Management
- URM workshops throughout the conference

Verde

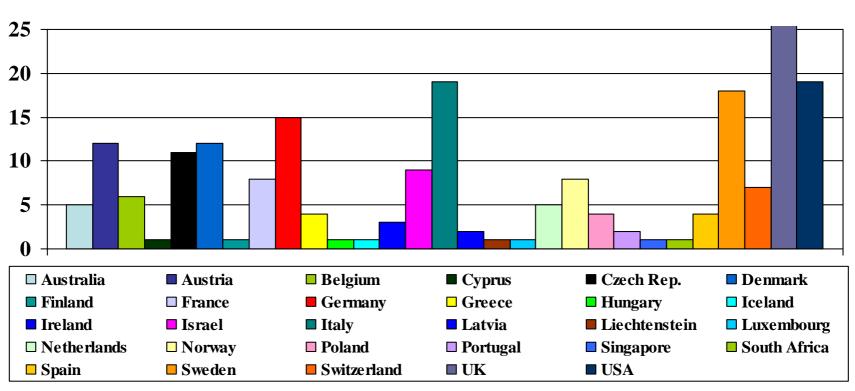

Final Turnaround

- Shifting development from Verde to URM
- Negotiations with Ex Libris about the transition period
- Classification of existing Support Incidents
- Prioritizing of SIs for possible implementation

Membership at the 1th IGeLU meeting 2006
