

HOMEPAGE

1st IGeLU Meeting

Session 1

Stockholm, 4 September 2006

HOME PAGE: General

- Aims:
 - Website (providing information)
 - Platform (providing web space for all kind of groups: world, IGeLU members, ANUG, S-NUG, PWGs, SIWGs,...)
- Requirements:
 - CMS (Content Management System)
 - Open Source Software
- Plone: www.plone.org

HOMEPAGE: General 2

- Preparations by Duccio Di Blasi and Guido Badalamenti
- Realisation by Beate Rusch, Duccio Di Blasi and Peter Klien since December 2005
- Online since the beginning of 03/Feb/2006
- Logo: developed by an Austrian graphic artist
- Lukas Koster (Coordinator PWG SFX/MetaLib) joined the admin team in 03/2006

HOMEPAGE: Structure

- graphic concept: 3 columns; 4 panes (navigation, content, news, events)

ORGANISATION

- statutes
- members of the Interim Steering Committee
- registration form
- list of members / list of founding members
- mailing list

CONFERENCES

- up to date information
- all former ICAU and SMUG Conferences

HOMEPAGE: Structure 2

ALEPH

- all ICAU material
- Satisfaction survey (password protected – like in ICAU)
- additional (=new): Focus Groups ; Product Working Group

SFX / METALIB

- the international SMUG website (www.smugnet.org) has been migrated to the IGeLU site
- the domain name "smugnet.org" expires on September 6 and will not be renewed.

DIGITOOL

- only PWG until now

VERDE

- only Focus Group until now

SPECIAL INTEREST WORKING GROUPS

- only IOGA until now

PROBLEMS

- not enough time for further development
- roles / permissions in Plone are not easy to understand
→ website not very much used as a working platform
- software migration to latest version in 03/2006
- server crash in 07/2006 - effects: no login possible (for some accounts); css defect (no icons shown), ...

FUTURE

- change to another software?
- Open Source CMS: Drupal, Mambo, TYPO3, ...
- Any ideas / comments welcome!

MAILING LIST(S)
