Summary (I)

igelu
International
Group of Ex Libris Users

- High quality content
- Documentation type of content
- Not quick tips but solid information
- Contributed mostly by Product Working Group people but also by Ex Libris

Summary (II)

- There is still room for more
  - Content, also quick wins
  - Discussions
  - Comments
  - Information about people (contacts) + their institutions
  - Personal pages

Future (I)

- **Improvement of the technical platform**
  - Increase the performance / speed
  - Ease navigation → website relaunch
  - Separation between WIKI + Code Share
- **How to make the wiki more attractive?**
  - Find more (power-) users
  - More links from/to EL Commons

Future (II)

- Pay a second visit to EL Commons Wiki
  - As a reader, as a contributor, as a networker
  - "Watch" a product section and stay informed
- Give EL Commons 10 minutes of your time
  - Contribute small tips
    (f.e. table A only allows you 100 lines!)
  - Comment on one of the previous contributions
  - Talk to your colleagues about EL Commons
