# Time for Review

- RSS / Atom feed
  - Only gave you word cloud based on ‘news’
- ‘Scraping’ a web page
  - Gives you that web page’s content
- Loading File
  - Snapshot of data at that point in time

# Time for Review

- Widgets
  - Embedded on web pages
  - Performance
  - Reliability / Sustainability
  
- Presentation
  - Nothing beats wordle

# Voyager Word Cloud

- Dynamic Word Clouds
  - extracts data directly from Oracle tables
    - Last 2000 items
  - clean the data
  - build the word clouds
  - handle presentation as HTML
  - Word cloud refreshed every time page is reloaded
  - Word cloud always pointing at real time data

## Welcome to the Edinburgh Research Archive (ERA)

ERA is a digital repository of research produced at The University of Edinburgh. Here we present a selection of our best research including full-text digital Theses and Dissertations, book chapters, working papers, technical reports, journal pre-prints and peer-reviewed journal reprints.

If you are a member of the University of Edinburgh and would like to deposit your items, please send an email to [prg-help@ed.ac.uk](mailto:prg-help@ed.ac.uk)

If you believe that any material held in ERA infringes copyright, please contact [prg-help@ed.ac.uk](mailto:prg-help@ed.ac.uk) providing details and we will remove the work from the repository and investigate your claim.

## Word Cloud of popular searches

We have generated a word cloud to visually depict what people are currently searching for in ERA. The size of the text in the word cloud
