2nd IGeLU Meeting, Brno 2007

Session 16d: Special Libraries SIWG report

History and starting point

Informal gathering at 2002 ICAU Meeting in Thessaloniki, Greece

EU organizations expressed common views

- unified technical support
- multilingual interface
- multilingual content

IOGA – International Organizations Group of ALEPH users

During the first official meeting of IOGA at 1st IGeLU conference:

- members agreed to open membership to all special libraries

Mission and Objectives

To provide Special Libraries Group members with an open and transparent organisation that represents their interests in dealings with IGeLU, ExLibris and other relevant bodies.

- ✓ • Constitute a Special Interest Working Group of IGeLU
- ✓ • Be recognized by IGeLU as a group of users with special needs (at the same level as national users groups)
- ✓ • Be recognized by ExLibris as a group of users with special needs and therefore be granted the same treatment as national users groups
- Promote information exchange among its members
- Enhance the services of participating libraries by sharing information, documentation and resources
- Provide a forum for the exchange of practical experiences
- Provide networking opportunities
