

## Invitation to Join IGeLU (the International Group of Ex Libris Users)

Dear

Due to the acquisition by ProQuest of Ex Libris, your former ProQuest workflow software and services are now supported and further developed by Ex Libris.

**IGeLU, the International Group of Ex Libris Users, welcomes you to register and participate in our very active and successful customer community. You are welcome to register your IGeLU membership at *no cost* for 2016, thus saving you the € 250 membership fee this year.**

When you register for IGeLU, you will acquire the status of an IGeLU member. Consequently, your institution will benefit from the right to participate in voting, you will have the right to register for the annual IGeLU conference at a discounted fee (saving you € 250 p.p.!) and you will have the opportunity to access the reserved part of the IGeLU website. We advise you to register as an IGeLU member before you register to the [IGeLU conference](#) to benefit from the discounted fee. In order to register as an IGeLU member, please fill out [this form](#). It will take only a few minutes to complete.

Please take care that only ONE contact person from your institution registers for IGeLU. *Every* employee of a registered institution can benefit from the discounted fee for the conference.

I am looking forward to welcoming you to the IGeLU community.

Kind Regards,  
Theo Engelman
