My Professional Experience

Project Leader of Tsinghua Scholars <http://rid.lib.tsinghua.edu.cn/>

Design of Tsinghua E-journal Navigation System <http://sfx.lib.tsinghua.edu.cn/ej/ej.htm>

MetaLib/SFX Project Implementation in Tsinghua

Primo Project Manager in Tsinghua

Alma Project Manager in Tsinghua

DataCite membership in Mainland China

ORCID membership

The Teams

The Teams

The Application

I would like to apply to join IGeLU and work with you together. Now my library is using Ex Libris' Alma and Primo products. I hope to help Chinese libraries to optimize the workflows on E-Resources Management and to cultivate Alma related products in China. I could reserve 1 hour per month for the WG + ExL product manager meeting.

I Welcome you to visit Tsinghua University at a convenient time
