Web Version of 2020 03 17 - IGeLU SC meeting

1	**GUAL meeting** 2020/03/13 - postponed -- new date to be supplied
2	**ELUNA Conference** 2020/03/15 - Cahir has sent email to SC members attending the conference to determine their travel restrictions. 2020/03/16 - expect notification about the ELUNA conference on the 01/04/2020
3	**IGeLU 2020 conference - -** **UK response to Covid-19 (developing)** Australia directive - 'Reconsider your need to travel - level 3 advice' Looking at emergency plans being in place for 6 months Fiscal issues due to lack of enrollment and may impact registrations **comms around Covid-19 & conference comms** 2020/03/13 - IGeLU COVID-19 post has been added to the IGeLU website 2020/03/17 - Dave to issue statement via email **Ex L position** ExL has done hotel bulk bookings and is organising travel for IGeLU 2020 **conference hosts** No communication have been received from WHELF **risk management** Chair has approached ExL about a scenario where we will defer the IGeLU 2020 conference to late October or November Chair has also approached RWCMD about option to defer meeting Issues raised are as follows 1. Concern that the current situation will extend past September 2020 2. There are issues around registrations and getting travel approval for the September conference 3. No guarantee that the current situation will not be resolved by November

	especially as the northern hemisphere moves into winter 4. Option to cancel the 2020 event all together was considered 5. Impact of recession on institutional willingness to send staff to the conference 6. Concern around using resources to put together a physical conference at the expense of spending the time and effort to put together a virtual conference **SC response**: option to cancel conference; option to go virtual and have some sessions pre-recorded - look at a virtual assembly
4	**Rosetta User Group Meeting** 2020/03/13 - June meeting cancelled - currently exploring options including satellite event at IGeLU
5	GDPR Group will initially look at Alma -- then will proceed to Discovery
