

IGeLU 2020 Digital Conference outline: Monday 14th to Thursday 17th September 2020

All times are quoted in British Summer Time (BST) / UTC+1. Early morning sessions are aimed at APAC attendees and key sessions are repeated for EMEA and attendees from the Americas later in the day. The time-zone spread of IGeLU conference attendees is vast but we have made every practical effort to schedule sessions sympathetically. Generally session times have been reduced to 25 minutes including questions to reflect the digital as opposed to face to face conference. 10 minutes switchover gaps have been left between sessions where practicable.
