

Day3 - Streamlining Usage Statistics Workflow	
Question	Answer(s)
Or do you have to contact many vendors for SUSHI credentials?	Yes.
Do you use a template file to input non-COUNTER usage into Alma?	No. They are in different formats, and I save them in Google folder.
Can I download this PowerPoint presentation file somewhere?	Please send me an email at sjoship@asu.edu, and I will send you my presentation.
Do you have IT technical staff helping you in the library and if so what do they help with ?	We do have Technology unit in the library, but so far we have not contacted for usage statistics.
Did you load in Alma COUNTER reports for previous years?	Yes, from 2018 onwards.
Do you use consortiums? How do you handle those statistics?	No.
What do you use as the data visualizer ?	Our Analytics unit recently tried using Tableau.
