Upgrade Reminder

- Versions of Voyager prior to 10.2 are running with Oracle 12c.
- Extended support for Oracle 12c ended.
- Locally installed customers running pre-Voyager 10.2 are strongly encouraged to upgrade to 10.3 or 10.4 as soon as possible to run on a supported version of Oracle.

Provide descriptive error message when 33x prevents a record from being saved - BatchCat

Any programs using BatchCat will need to be updated to handle the new return codes:

- 215 = 336 $b not 3 characters
- 217 = 337 $b not 1 character
- 216 = 338 $b not 2 characters
