

Leganto Working Group Open Meeting

IGELU 2023 CONFERENCE

Jessie Donaghey, IGeLU Leganto Working Group Coordinator

Jessie Ransom, Lead Product Manager, Ex Libris Part of Clarivate

Working Group purpose

ENHANCEMENTS

Coordinate the enhancement process with the ELUNA Leganto WG and Ex Libris.

COMMUNITY ENGAGEMENT

Partner with Ex Libris and ELUNA Leganto WG to organise focus groups and communicate outcomes, encourage information sharing and community discussion, and deliver webinars/conference presentations of interest.

COMMUNITY ADVOCACY

Communicate directly with Ex Libris management to share and communicate issues of significance to the IGeLU community.

Meet the group

Leganto Idea Exchange review

PURPOSE

Free up votes for the community to support new or submit new ideas.

METHOD

Ideas submitted 2016 to 2019 reviewed and old ideas closed with community discussion encouraged.

OUTCOME

91 out of 112 ideas were closed, freeing up 543 votes for the community.

Customer Focus Groups

Analytics

THE GROUP

Library staff from 13 institutions in 6 countries.

THE PROCESS

Individual meetings with group members to view and discuss reports in use

THE OUTCOME

- Analysis of the common themes and distinct needs of different institutions
- A dashboard will be built and released in stages
- University of Sheffield reports will serve as a baseline, but reports will be adapted to fit broader community
- Ex Libris will support the reports over time

New UX/UI

THE GROUP

Instructors, librarians, and teaching and learning staff from 11 institutions in 5 countries.

THE PROCESS

Monthly group meetings to discuss library workflows, instructor workflows, and solutions

THE OUTCOME

- Completed the design phase with the support of the focus group
- New UX/UI moved to early adopters phase in June 2023
- Now available for general release

New UX/UI

Early Adopters

DIVERSE PARTICIPANTS

15 institutions from 7 countries.

INTERFACE TESTING

Instructors and librarians to use the new UI in day-to-day workflow. Report any bugs or things that were unexpected.

BUGS AND INSIGHTS

- Over 400 pieces of feedback were received
- Prioritizing development that impacts instructor training

New UI Drop-in session

Wednesday, 11am-1pm
Room AGORA 02.A04 Istanbul

- ★ Test the new UI
- ★ Ask questions
- ★ Share feedback
