# UNSW Library Primo VE journey

# Migration blockers/solutions - Primo

- Performances issues
- Normalisation rules and local fields
- Feature parity

The screenshot shows a search interface for 'Databases by category'. On the left, there is a vertical navigation menu with letters A through N. The letter 'F' is highlighted in blue. On the right, the search results are displayed. The first result is 'Factiva', which provides full text access to global news from more than 8000 sources, including Fairfax, Financial Review, Sydney Morning Herald, and Dow Jones Reuters Business Interactive. The second result is 'Family & society studies worldwide', which covers subjects like divorce, family violence, and intermarriage. A 'Check online access' link is visible below the first result.
