The analytics menu entries

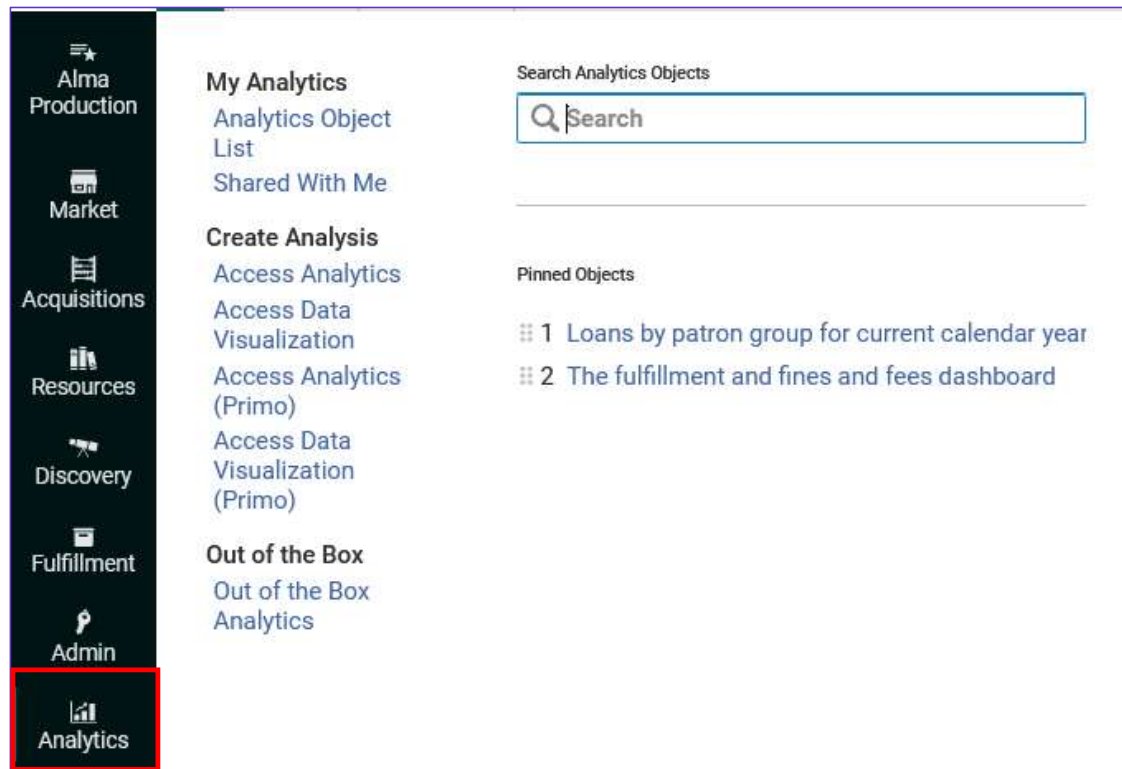

The analytics menu entries

- First, we will give a general overview of each entry in the analytics menu.
- Then we will “deep dive” into each of these menu entries.

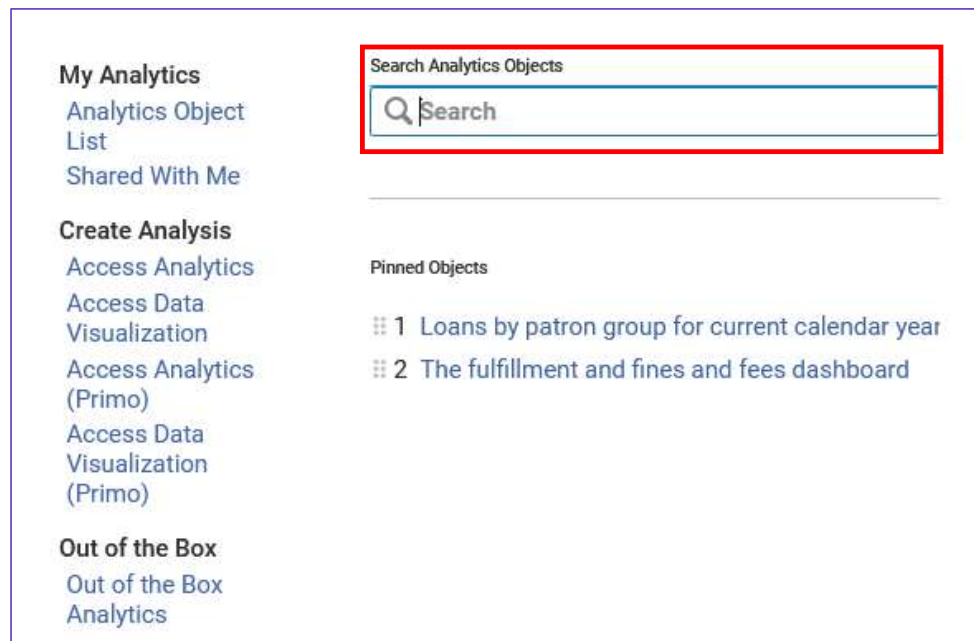

The analytics menu entries

- Accessing the analytics menu

The analytics menu entries

- Search: Allows the user to "Search" all "Analytics Objects" available to the logged in user depending on his or her roles.

The screenshot displays the analytics menu interface. On the left, there are three main sections: "My Analytics" with sub-items "Analytics Object List" and "Shared With Me"; "Create Analysis" with sub-items "Access Analytics", "Access Data Visualization", "Access Analytics (Primo)", and "Access Data Visualization (Primo)"; and "Out of the Box" with sub-item "Out of the Box Analytics". On the right, there is a search bar labeled "Search Analytics Objects" with a magnifying glass icon and the text "Search". Below the search bar, there is a section titled "Pinned Objects" containing two items: "1 Loans by patron group for current calendar year" and "2 The fulfillment and fines and fees dashboard". The search bar is highlighted with a red border.

The analytics menu entries

- Pinned Objects: These serve as “quick links” which the user can quickly access by clicking on them.

Each user decides which objects will be his or her Pinned Objects.

The screenshot displays the analytics menu interface. On the left, there are three main sections: 'My Analytics' with sub-items 'Analytics Object List' and 'Shared With Me'; 'Create Analysis' with sub-items 'Access Analytics Access Data Visualization' and 'Access Analytics (Primo) Access Data Visualization (Primo)'; and 'Out of the Box' with sub-item 'Out of the Box Analytics'. On the right, there is a search bar labeled 'Search Analytics Objects' with a magnifying glass icon and the text 'Search'. Below the search bar, a red box highlights the 'Pinned Objects' section, which contains two entries: '1 Loans by patron group for current calendar year' and '2 The fulfillment and fines and fees dashboard'.

The analytics menu entries

- “Analytics object list”- The list of analytics objects.

In order for a staff user to see the “Analytics Object List” entry he or she must have either role “Analytics Administrator” or role “General System Administrator” or both.

The analytics menu entries

- “Create analysis”- This is the section for the user with role “Designs Analytics”.

The four entries which begin “Access ...” allow the staff user to enter analytics or data visualization to create, edit and delete analytics analyses and data visualization worksheets.

The screenshot shows a user interface for analytics. On the left, under 'My Analytics', there is a list of options: 'Analytics Object List', 'Shared With Me', 'Create Analysis' (highlighted with a red box), 'Access Analytics', 'Access Data Visualization', 'Access Analytics (Primo)', and 'Access Data Visualization (Primo)'. Below this is the 'Out of the Box' section with 'Out of the Box Analytics'. On the right, there is a search bar labeled 'Search Analytics Objects' with a search icon and the text 'Search'. Below the search bar is a section for 'Pinned Objects' containing two items: '1 Loans by patron group for current calendar year' and '2 The fulfillment and fines and fees dashboard'.

The analytics menu entries

- The section “Create Analysis” will only appear if the logged in user has role ‘Designs Analytics’
- The entry “Analytics Object List” will only appear if the logged in user has role ‘Analytics Administrator’ or ‘General System Administrator’

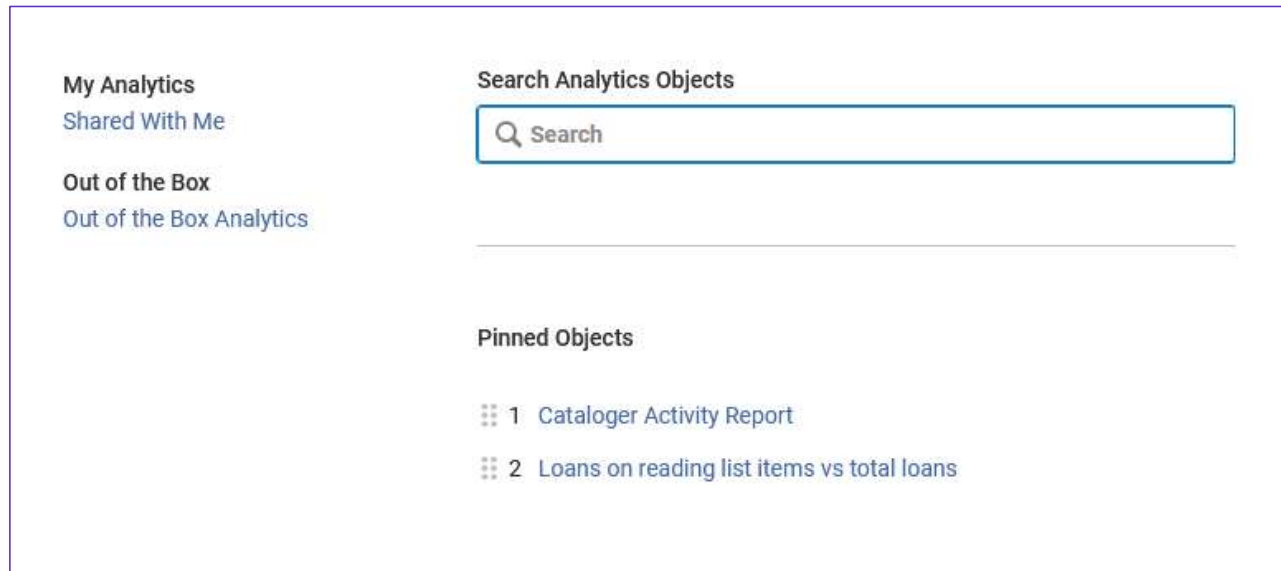

The analytics menu entries

- Here the logged in user (Alicia Chen) **does** have role 'Designs Analytics' and 'Analytics Administrator' and 'General System Administrator'.

The screenshot displays the analytics menu interface. On the left, there are three main sections: 'My Analytics', 'Create Analysis', and 'Out of the Box'. The 'My Analytics' section includes 'Analytics Object List' and 'Shared With Me'. The 'Create Analysis' section includes 'Access Analytics', 'Access Data Visualization', 'Access Analytics (Primo)', and 'Access Data Visualization (Primo)'. The 'Out of the Box' section includes 'Out of the Box Analytics'. On the right, there is a search bar labeled 'Search Analytics Objects' with a search icon and the text 'Search'. Below the search bar, there is a section for 'Pinned Objects' with two items: '1 Loans by patron group for current calendar year' and '2 The fulfillment and fines and fees dashboard'.

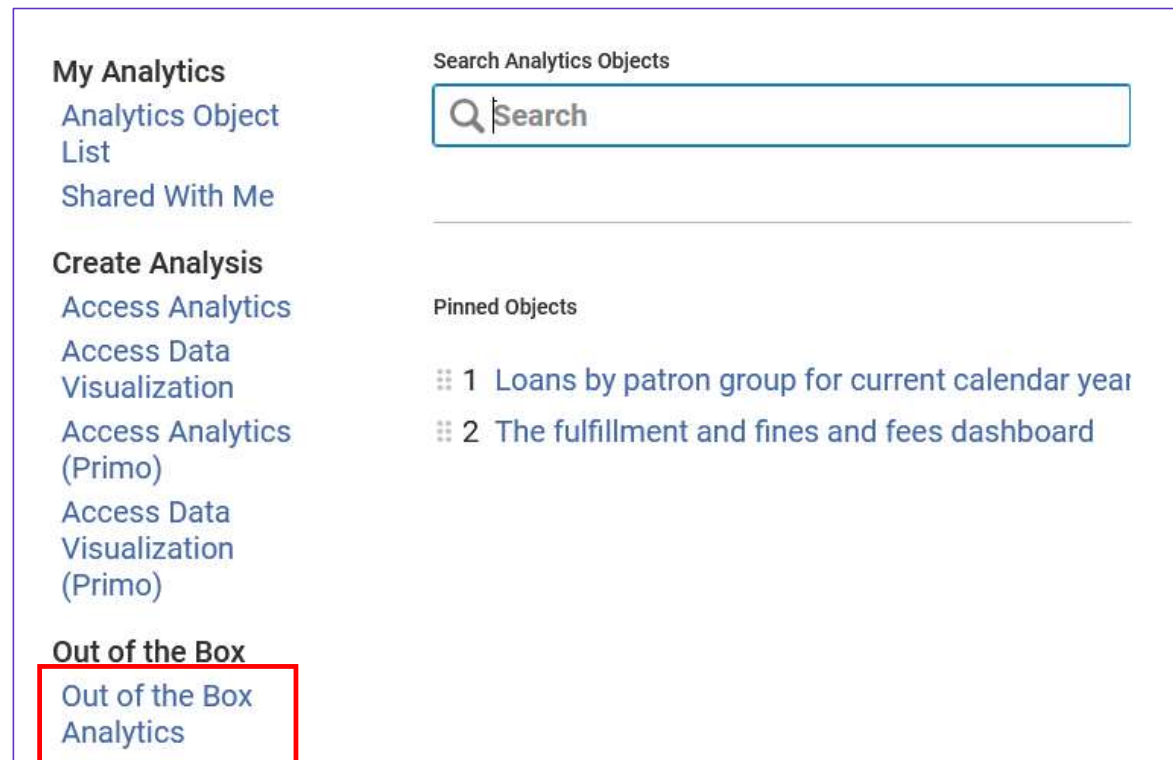

The analytics menu entries

- Here the logged in user (Elly May Clampett) does **not** have role 'Designs Analytics' or 'Analytics Administrator' or 'General System Administrator'.
- This user has only the role "Cataloger" and therefore does not see the section "Create Analysis" or the entry 'Analytics Object List'

The analytics menu entries

- Out of the box analytics: The list of analytics objects which are from the “Alma” folder and have the same role applied as the logged in user

The screenshot displays the analytics menu interface. On the left side, there are three main sections: 'My Analytics' with sub-items 'Analytics Object List' and 'Shared With Me'; 'Create Analysis' with sub-items 'Access Analytics', 'Access Data Visualization', and 'Access Analytics (Primo)'; and 'Out of the Box' with a sub-item 'Out of the Box Analytics' which is highlighted with a red box. On the right side, there is a search bar labeled 'Search Analytics Objects' with a magnifying glass icon and the text 'Search'. Below the search bar is a horizontal line, followed by a section titled 'Pinned Objects' containing two items: '1 Loans by patron group for current calendar year' and '2 The fulfillment and fines and fees dashboard'.
