The Swedish Aleph User Group (Alephswe) was established in 1999 and was expanded in to a user group for all Ex Libris products in Sweden in 2011 (ELUGswe).

The main tasks of ELUGswe are:

- To provide a forum for the exchange of practical experiences and information about local developments of common interest.
- To coordinate the activities of Swedish libraries using Ex Libris products and maintain a list of development requests.
- To provide a common point of contact for Ex Libris.
- To keep in touch with IGeLU and other user groups.

Steering committee:

Jonas Barck, Linnaeus University Library, chair

Johanna Säll, Karolinska Institutet University Library, treasurer

Piia Berg, Mälardalen University Library, secretary

Petra Gustafsson, Dalarna University Library, vice chair

Since 2015 ELUGswe have only one meeting a year, the annual association meeting which is held in spring. If needed, an additional web meeting is held sometime during the autumn.
