Accessibility Update

- Ongoing accessibility improvements
- VPAT 2.4 (2021) is available on Knowledge Center and describes the Leganto support of WCAG 2.1
- An updated VPAT will be published in Q4 2024 (for the new UI)

https://knowledge.exlibrisgroup.com/Leganto/Product_Materials/Product_Accessibility

The screenshot shows the ExLibris Knowledge Center website. At the top, the logo for ExLibris Knowledge Center is displayed, along with the text "Part of Clarivate". To the right, there are three buttons: "More Sites", "System Status", and "Submit a Case". Below the logo is a search bar with the placeholder text "Search under current path" and a magnifying glass icon. To the right of the search bar is a "Leganto" button. Below the search bar is a breadcrumb trail: "Home » Leganto » Product Materials » Product Accessibility". The main heading is "Product Accessibility". Below the heading, there is a link to the Leganto Accessibility Statement. The text explains that accessibility and inclusion are important to Ex Libris and that the software is accessible to all users. It also mentions that Leganto undergoes annual auditing by an external consulting company, most recently Deque Systems, and that accessibility feedback is received from customers via support tickets. The text concludes by stating that the FAQs below are reviewed and updated once a year, following the annual accessibility audit.
