# Loans\Request

# Interview #1, First-year medical student on the 4-year Program:

"As an example, in loans, I would like to know when the next return is due or even the item's name."

**Library Card** 

## Right to left

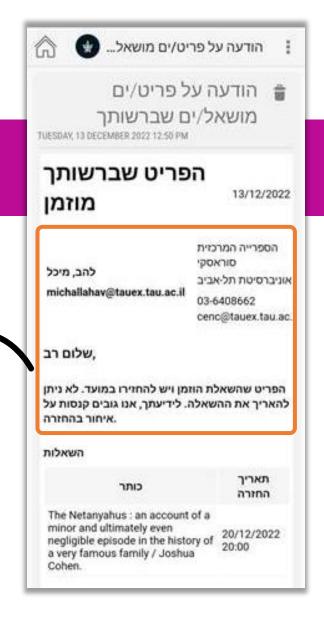

#### RTL writing are aligned as LTR

#### For English speakers, it looks like this:

Dear Sir/Madam

The library uses an automatic loan renewal service. The following items were not renewed and should be returned according to their due date.

We would like to remind you that fines are charged for overdue loans.\*

### What's Next?

Students have produced some great ideas for future development

**Augmented Reality navigation:**
