Advisory board Next Generation Rosetta

- Ex Libris organised
- Quarterly meetings
- 2 advisory Board meetings (January 10th 2024 and April 3th 2024)
- Members Rosetta User group:
 - Rosetta Steering committee + some active members
- Contents
 - Updates on what is discussed in the Topical Groups
 - Ex Libris updates
 - Other predefined topics or guest speakers

Topical Groups

- Organised by Ex Libris
- Input from the community
- Two meetings
 - July meeting on
 - Technical workbench reorganisation
 - METS format
 - METS versioning
 - September meeting on
 - METS versioning - follow up from last meeting
 - METS implementation - for this topic we would need a community liaison to prepare thoughts and ideas about upgrading or modifying our existing implementation. Please let us know who will be able to lead this task.
 - Risk management - initial discussion

Lot's going on!
