

# Leganto as part of the unified solution

Jessie Ransom | September 10, 2024

# What is Leganto?

**Leganto** is a course materials solution which automatically links course materials with the library collection, connecting library resources, services and workflows to the learning management system (LMS).

# Establish the library as a teaching and learning partner

Make use of **library collections**, librarians' expertise, and library services in support of courses

**Streamline the workflows** to support course materials, leveraging the Alma platform

Take advantage of **actionable insights** to demonstrate library value

# Demo

# Leganto promotes the library

Maximize the use of library collections

Make the library a stronger partner in T&L

Leverage advanced analytics and reports

Save time with integrated and automated workflows

Support student success

Connect the library with faculty and students
