# What is Title Matching Fast?

Title Matching Fast (TMF) helps you accurately and quickly match print and electronic books ISBNs to various collections on the Ebook Central, Rialto and OASIS platforms.

## New Editions

Ensure patrons have the newest editions of books and shelf appeal

## Reclaim Space

Make heavily circulating print titles available in electronic format

## Data-Driven Decisions

Analyze subjects, award winners, and languages to make informed selections

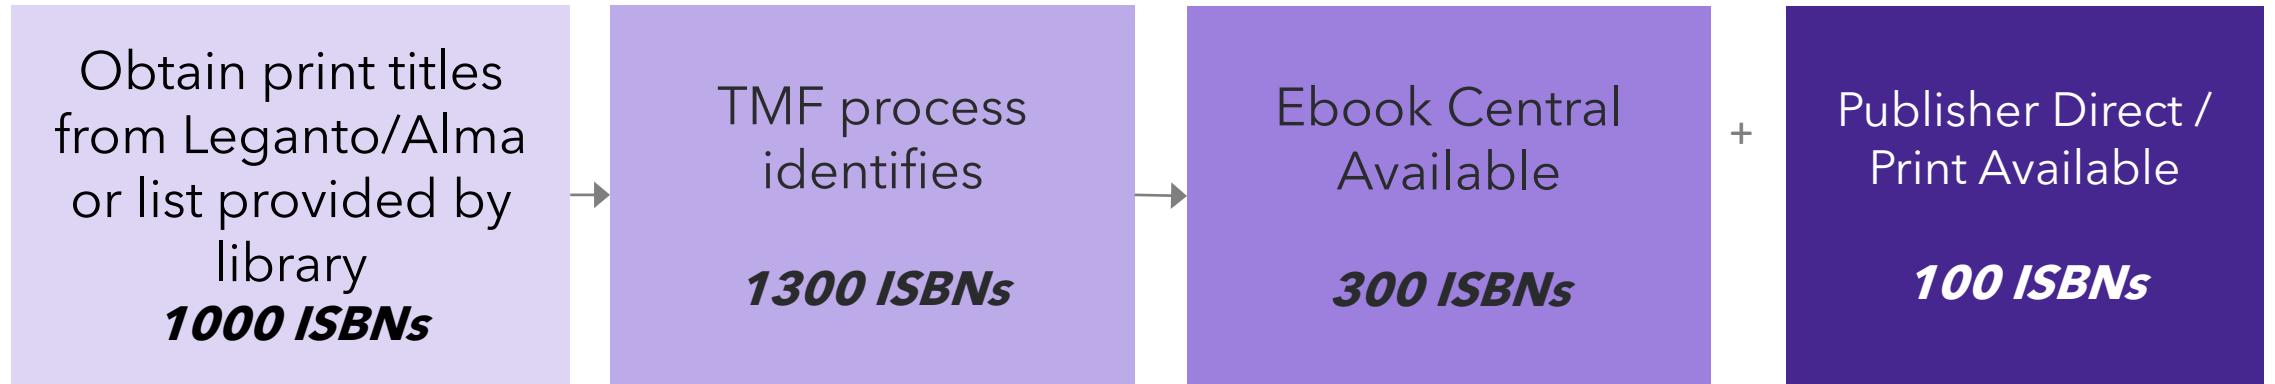

## Support Faculty

Make course material adoption easy with Leganto Reading lists

TMF is a **unique service** only offered by Clarivate, **at no charge to the library.**

# How Does Title Matching Fast (TMF) work?

*An example case: 1000 ISBNs pulled from Leganto, Alma, or provided by library*

**Only Clarivate** can offer a streamlined title matching service using these tools, which maximizes the quality and quantity of print-to-electronic conversions.

# Title Matching Fast Service - What You'll Learn

# Find New Editions

## TMF New Editions Report

- Identifies newest editions of titles held in print or electronic
- Ensure patrons have the newest editions of ebooks and maintains shelf appeal
- Can also run a print-to-print New Editions report if focused on maintaining print collection

**“The New Editions TMF report is a great way to scoop up newer editions that we’ve missed and allows us to find holes or gaps in the collection. It’s essential for any library dealing with librarian shortages.”**

**Sara Duff**

Acquisitions & Collection  
Assessment Librarian, University  
of Central Florida, United States

# Support Teaching and Learning

## Two Leganto TMF Reports

1. Match print books referenced in your course reading lists to titles available electronically
  - Maximize the availability of library materials in courses
  - Reclaim space in your library
- 2. *New for 2024!*** Leganto unowned titles on reading lists
  - Titles may actually be owned by library; we'll do the checking for you!
  - Reduce student spend, maximize library value

***To obtain your Leganto TMF report:*** Approve a simple waiver, and Clarivate can begin pulling the data for you.

"[We used TMF] to quickly source e-versions of books to meet the teaching and learning requirements of students and faculty. The TMF reports helped us quickly identify the resources we needed."

**Hew Yoke Far**

Head of Library at Kampar  
Campus, Universiti Tunku Abdul  
Rahman, Malaysia

# Support Accessibility

*"The European Accessibility Act (Directive 2019/882) is a landmark EU law which **requires some everyday products and services to be accessible for persons with disabilities.***

*"The new rules will facilitate these people's access to public transport, banking services, computers, TVs, **e-books**, online shops, and much more. For persons with disabilities, accessibility is a precondition for participation in society on equal basis with others."*\*

# 87 Million

People in the EU who have disabilities  
(almost one in five Europeans)

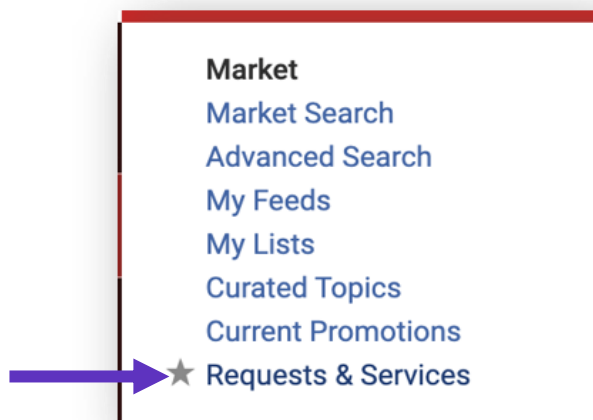

# TMF and Rialto

## Automatic POL Creation

- Rialto supports automatic POL creation in Alma for TMF orders with Ebook Central titles
- Customer specifies their ordering library, and fund code before the order is placed

## New! Request TMF Reports in Rialto

- A new Requests and Services Page allows users to request a TMF report directly within Rialto

# Summary: Is TMF Right for You?

TMF may be right for you if any of the following situations apply to your library:

“We need to gap fill our collection in XYZ subject areas”

“We need to weed out of date editions (print and/or e)”

“We have a long wish list but no time/staff to analyze our collection for duplicates/gaps”

“We have ABC new courses coming and need to build a suitable collection”

“We need to reclaim space in our library”

“We are looking at a new Reading List system/process.”

“We use offsite storage for some amount of our collection.”

“We use Interlibrary loans to fulfill requests.”
