IGeLU 2025 Conference App

With the support of Clarivate, IGeLU has launched a conference app based on **Library Mobile/campusM**.

Scan the QR code to download

Do you need a quiet space?

Quiet spaces are located at:

Level 0

- Library
- Courtyards with seats

Upper levels

- There are no students on campus so you can use any of the seating areas on the upper levels

IGeLU Code of Conduct

We do not tolerate harassment or disrespect of IGeLU conference participants in any form. For more information scan the code
