DIGITOOL PWG

Business Meeting

Outline

DigiTool PWG Future
Q&A
Communication

DigiTool PWG Future

Future:

close the DigiTool PWG

- Alma PWG will follow DigiTool and the implementation of Alma-D
- Maintain collaboration with Alma PWG to support integration of DigiTool functionalities

Q&A: question 1

What are your plans for Digitool?

End date for use/support?

Migration to other platforms?

Which platforms? Rosetta? Alma?

Q&A: question 2

It is very important to our institution that we are harvested by google scholar.

What is ExLibris doing to improve the situation?

We have waited many months and still doesn't work.
