ELUGswe have one meeting a year, the annual association meeting which is held in spring. If needed, an additional web meeting is held sometime during the autumn.

You can reach ELUGswe at our website: <http://elugswe.blogg.kb.se>

We also have a discussion list (e-mail) administrated by The Swedish Royal Library.

## **Activities 2021:**

Due to the Covid-19 pandemic, ELUGswe decided to have digital meetings during 2021.

### **Annual association meeting 28<sup>th</sup> of April (digital)**

The agenda of the meeting was budget, annual report, chairman's report, etc.

At the meeting we also had sessions about KTH Library self-developed Alma Cloud App, Statistics in Alma and "How can we best make our universities' publications searchable in discovery". We also had a breakout room for libraries with Summon.

### **Webmeeting with ExLibris 19<sup>th</sup> of May (digital)**

At the meeting Andrew Christison, Customer Success Manager at Ex Libris had a presentation about CDI – best practice and Ghislain Onestas, Research Suite Solution Sales Manager EMEA, ExLibris talked about Exploro- latest news.

At the meeting Ronald van Dieen, Key account Manager also gave us a short report about Clarivates acquisition of Proquest. The acquisition as well as the impact of Schrems II judgement raised some questions from the Swedish community.

### **Issue that we want to address...**

We would like to hear how other countries interpret Clarivates acquisition of ProQuest and the Schrems II case; invalidating the EU-U.S. Privacy Shield framework as an adequate safeguard of transfers of personal data from the European Union to the United States.

### **Other activities**

- An additional web meeting to be held in the autumn of 2021 (digital).
- In September ExLibris will introduce the Premium Services for the members.

Best wishes for the INUG meeting! See you online!
